WALK BY FAITH

Location: Different Locations

Leader: Kheeli Davis

Contact Info: (812) 677-0023

Description: Not everyone moves at the same pace—and that's okay. This group is for women who want to get outside, connect with others, and take simple steps forward—physically and spiritually. Whether you walk fast, slow, or somewhere in between, this is a space where no one gets left behind.

We'll meet once a week to walk together, talk, and build real relationships. During the week, you can keep it going on your own—nothing complicated, just fresh air and steady steps.

This isn't about speed or distance. It's about showing up, being present, and walking side by side. You don't have to keep up. You just have to come.

RUN ANYWAY

Location: Different Locations

Leader: Austin Turner

Contact Info: (812) 459-9521

Description: Why run if nothing's chasing you? Maybe it's not about being chased. Maybe it's about realizing nothing's behind you—and everything is ahead of you.

Whether you've never run a mile or you've been running for years—Run Anyway is for anyone who wants to build consistency, push past excuses, and not do it alone. We meet once a week to run (or walk), encourage each other, and build something steady over the summer.

During the week, you keep it simple—just a few runs on your own, one step at a time. This is about showing up, staying steady, and finishing what you start. At the end of the summer, we'll run the Owensville Watermelon 5K together as a group.

Some days will feel easy. Some won't. Either way—we run anyway.
